

ICS ADVANCED TECHNOLOGIES

We make technology work!

The Power and Speed of...

The one and only

Hot Rod
Internet

When you're looking for an apartment. Look for one that provides **ICS Hotrod Internet** to receive the fastest, most reliable Internet available in Ames. ICS has a proven track record of unparalleled speed and reliability that you will not find with other providers.

Don't be fooled by other property managers' claims of "High-Speed Internet!"

Visit us on the web at www.ics-llc.net/properties for a complete list of apartments providing **ICS Hotrod Internet**.

Many apartments with ICS technology are also available with satellite TV! Check out the apartments offering satellite TV at www.ics-llc.net/MDUsatellite.
