

QUESTION: School Work or Watch TV

~ Read chapters 4-6 for Econ 101.

~ Prepare with group for advertising presentation.

~ Study for Psych 230 exam on life-span development and social and emotional behavior.

*~ Practice your Spanish vocabulary!
(Hola, mi nombre se Pedro)*

~ Review notecards for your engineering test.

~ Write a 15-page paper on why people procrastinate!

** Rewind over and over again the steal that led to the fast break, which was followed by a spectacular dunk!*

** Watch what trouble Gabrielle, Bree, Susan, Lynette and Edie can get each other in.*

** See Jack work his way out of trouble and save the world one-hour at a time.*

** Pause the TV or slow the action down so your buddy can see the get-away car roll over 4-times and then explode!*

** Let your girlfriend fast forward past Rachel, who has to eat rat stew in order to move on to the next round.*

ANSWER:

Do Both with a DVR Receiver!

Call ICS today to see how a receiver with Digital Video Recording technology from either DIRECTV or DISH Network can make the decision between studying and watching TV a whole lot easier.

ICS proudly provides both DIRECTV and DISH Network

Our satellite service is used at these and other great locations in Ames.
